Recommendations

The Delegation of India recommends that the SC9:

- **notes** the national report provided by the Republic of India

Annual National Report of India to the Southern Indian Ocean Fisheries Agreement (2024)

There were no Indian flagged commercial fishing vessels fishing in the SIOFA Convention Area and therefore, India does not have any information to provide under different sections of the National Report. However, India have plans to expand the fishing areas by Indian fisheries to the Convention area in near future.
